PROTECT MEDICAID

The Protect Medicaid Movement Needs You — ACT NOW and Contact Your Representatives!

Call or email your Congressional Representatives today, before the next vote. Tell Congress to protect Medicaid from any cuts, caps, or changes to eligibility requirements.

Your story has power! Share how Medicaid has been a lifeline for you and/or your loved ones. Find action alerts and helpful resources on our [Protect Medicaid site](#).

Critical Disability Protections Are at Risk!

WE MUST ACT NOW to Save the Disability and Aging Service System!

Washington is considering devastating cuts to programs that protect the lives, safety, and dignity of people with disabilities and older adults.

At risk are vital programs, including: Protection & Advocacy agencies, including [Disability Rights New Jersey](#), Developmental Disabilities Councils, University Centers for Excellence in Developmental Disabilities, Long-Term Care Ombudsman programs...and more.
